REGIONAL OFFICE, KARNATAKA

MESSAGE

ESIC is a Premier Social Security organization for employees in organized sectors and is a self financing, multi dimensional Scheme. ESI Scheme provides medical and social security coverage for the employees and their dependents.

As on 31st March 2018, total number of insured person under ESI Act is 34.95 lakh in Karnataka, thereby touching the lives of 20% of the state population. ESI Corporation has been mandated with the task of registration of employers and employees, revenue collection and management of cash disbursement to beneficiaries in times of sickness, maternity and accidents during the employment.

Providing medical benefit to the registered Insured population is the duty of the State Government. For this purpose, Directorate of ESI Scheme Medical Services has 7 ESI Hospitals and 112 ESI Dispensaries and also has tie up with government taluk and private hospitals.

To supplement medical delivery system, ESI Corporation is directly running 3 ESIC Hospitals, 1 Dispensary cum Branch Office (DCBO), 1 Employers Utilization Dispensary (EUD) and one Modified Employers Utilization Dispensary (M-EUD).

ESI Corporation is in the process of establishing four ESI hospital in Karnataka at Doddaballapura, Bommasandra, Shimoga and Bellary. 7 Dispensary cum Branch Office will be started shortly in next phase and DCBO will be extended to the remaining 22 districts of Karnataka.

ESIC is having robust public grievance system at local and national level.

For any issue / assistance, you may write to rd-karnataka@esic.nic.in or contact Regional Office.
